Education

- | | | |
|---------------|--|---|
| 08.2017 – now | Norwegian Language Course
Go to the Norwegian school to learn Norwegian and about the Norwegian society. | Moss Voksenopplærings- og kvalifiseringssenter |
| 2008 – 2010 | Associate Degree in Web/Multimedia Management and Webmaster
The course trains professionals with solid skills in the production of websites for Internet, Intranet and Extranet. It provides the student with a comprehensive view of the market and activities related to the Internet and the production of web pages. | UNIP – Universidade Paulista (São Paulo – Brasil) |

Work Experience

- | | | |
|----------------------|---|---|
| 05.2018 –
08.2018 | Web Developer
Summer job hired to improve company's webpage and create a new web shop using Shopify. The job included taking photo of products, photo editing and banner creation. | Form og Stanseteknikk AS (Rygge - Norway) |
| 11.2015 –
11.2016 | Agency Technical Liaison
Working with Google marketing team to help and coordinate the launch of internal and external projects (websites). Assessing and triaging incoming requests from Project Marketing Managers focusing on LatAm region. Helping both external agencies and marketers to understand Google's technical and security requirements and code review processes ensuring that interactive experiences launch safely, securely and snag-free. | Google (São Paulo - Brasil) |
| 04.2014 –
11.2015 | Web Production Lead
As a leader of web activities on global level on Samsung.com and Hyundai Motor Brazil projects, I was responsible to keep client relationship with Digital Marketing Managers from Latin America and North America regions and local agencies. Coordinating and working on client requests, handling all new inquiries and updates on client website. | Concentrix (São Paulo - Brasil) |
| 12.2009 –
04.2014 | Web Production Support & QA Lead
Started as a Web developer and in 2011 I was promoted to the Web Production Support position, where I had the opportunity to manage the flow of Samsung.com on global level. Assist the Web Production Leaders in extracting and preparing the content to be published on Samsung.com for Latin | IBM Brasil (São Paulo - Brasil) |

America/North America sites. Ensure Data Quality, act as local Quality Assurance Lead and local Technical Lead.

02.2008 – **Intern** Digerati (São Paulo - Brasil)
12.2009 Retouching, selecting and recovering images. Daily publisher of website. Creation of banners, wallpapers and graphic images.

Other Experience

03.2017 – now **Owner – Content Creator** Hey, Norway
My own Blog and Youtube channel to talk about how it is to be a brazilian living in Norway. I am responsible for filming and editing the videos, blog posting, visual identity, marketing, social media and content production.
www.heynorway.com og
www.youtube.com/heynorway

01.2013 **Volunteer** Campus Party Brasil
Worked at IBM's stand being responsible for talking about IBM's history, invite visitors to attend the workshops and attract young people to get interested (and apply) to the Intern Program.
